The complete rule book is available at [USAmartialartists.org](http://USAmartialartists.org).

This is a summary of those rules:

### **Kumite**

Safety equipment is required for the feet, hands and head. Groin cup is required for males.

Kumite matches will be 5 points or two minutes whichever occurs first.

One point is awarded for any point to a legal target area. The following are target areas are the torso, the helmet but not the top of the head. Other legal targets are the back ribs, kidneys and groin area. Focus techniques are allowed to the spine if the opponent turns his back. You can score on an opponent who is on the ground and they can score on you as long as they are controlled. Face contact is **not allowed below adult Brown Belt** Divisions. Any rocking of the head, blood or bruising or bad sportsmanship is cause for **immediate** disqualification. Coaching is not allowed. There will be arbitrators available should any issues arise.

The promoter has the discretion to add divisions but all divisions must have at **least** three competitors before they can be split.

### **Equipment**

Both form gear and USNKF or AAU fighting equipment is acceptable.

Matches will be 2 minutes or 5 points. Every target area is one point

**Koshiki** (Armoured Fighting) Divisions will have equipment provided and multiple points are scored in clashes
