- A division may be split at the tournament promoter's discretion, however, there must be a minimum of 3 competitors in each division that results from the split. Criteria that may be used to split a division include, but are not limited to, age, rank, gender, martial arts experience time, etc.
- Beginning divisions are comprised of students who are a 7th, 8th, 9th or 10th kyu, gup, kup or grade in their system (based on a 10 kyu system) or have been continuously training for 1.5 years or less, whichever is more restrictive.
- Intermediate and Advanced divisions are at the discretion of the tournament promoter.
